O P I N I O N

Summary

This decision grants the application of Fariborz Alishahi (Applicant), an individual, pursuant to Pub. Util. Code § 1031 et seq., for a certificate of public convenience and necessity to operate as a passenger stage corporation (PSC), as defined in Pub. Util. Code § 226.

Discussion

Applicant requests authority to operate as an on-call PSC to transport passengers and their baggage between points within Orange County and John Wayne Airport (SNA). Applicant proposes to use 3 seven-passenger vans. The proposed fares as listed in Exhibit A range between \$15 (Orange - SNA) and \$30 (San Juan Capistrano – SNA). Exhibit C is the unaudited Balance Sheet as of March 20, 2002, that discloses assets of \$48,800; liabilities of \$3,400; and net worth of \$45,400.

Notice of filing of the application appeared in the Commission's Daily Calendar on April 17, 2002.

In Resolution ALJ 176-3086 dated April 22, 2002, the Commission preliminarily categorized this application as ratesetting, and preliminarily determined that hearings were not necessary. No protest has been received. Given this status, public hearing is not necessary, and it is not necessary to alter the preliminary determinations made in Resolution ALJ 176-3086.

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Pub. Util. Code § 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.

Findings of Fact

1. Applicant requests authority to operate as an on-call PSC to transport passengers and their baggage between points within Orange County and SNA.
2. Public convenience and necessity requires the proposed service.
3. No protest to the application has been filed.
4. A public hearing is not necessary.
5. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

Conclusions of Law

1. Public convenience and necessity has been demonstrated and the application should be granted.
2. Since the matter is uncontested, the decision should be effective on the date it is signed.

Only the amount paid to the State for operative rights may be used in rate fixing. The State may grant any number of rights and may cancel or modify the monopoly feature of these rights at any time.
